

**Course Plan:**

The Course Outlines correspond with the structure of the Study Guide (Content) and Workbook (Practice Questions with sample Answers) topics.

The **Study Guide** and **Workbook** can be downloaded from the course site for printing. You are prohibited to reproduce copies for non-registered users or distribute soft or printed copies without SunwayTES's written permission.

**Guided Self-Learning Time** includes reading time, viewing the **\*embedded videos**, attempting the understanding checkers (Embedded Assessments) with auto-graded feedback, and reviewing the **\*\*pre-recorded Webinar** (tutorial) videos.

**\*Embedded videos are conceptual or introductory videos with voice-overs.** Registered users can access the videos by scanning the AR codes on the printed Study Guides using the Zappar application from the Play Store (Android phones) or the App-Store (Apple Phones). You can also access and play the same videos embedded in the online course's content. These videos are for viewings only and cannot be downloaded.

The **\*\*Pre-recorded Webinar Videos** are recorded from live tutorials and the chapters' syllabus are synced to these videos. These videos can be viewed from the course but **not downloadable** for off-line viewings.

**Recorded Revision Videos** can be viewed from the system but **not downloadable** for off-line viewings.

**Progress Test and Mock Exam** will be for duration of 3 hours each. The marker's feedback will be forwarded together with the results after grading. Kindly note that the Mock Exam is a **timed test** and only **one attempt** is allowed. Once you have started the test, you are required to complete it within the time limit.
