

Course Plan: Flexi Exam-Focused Programme (Session Code: Sep22-P3b)

The Course Outlines correspond with the structure of the Study Guide (Content) and Workbook (Practice Questions with sample Answers) topics.

The **Study Guide** and **Workbook** can be downloaded from the course site for printing. You are prohibited to reproduce copies for non-registered users or distribute soft or printed copies without SunwayTES’s written permission.

Guided Self-Learning Time includes reading time, viewing the ***embedded videos**, attempting the understanding checkers (Embedded Assessments) with auto-graded feedback, and reviewing the ****pre-recorded Webinar** (tutorial) videos.

***Embedded videos are conceptual or introductory videos with voice-overs.** Registered users can access the videos by scanning the AR codes on the printed Study Guides using the Zappar application from the Play Store (Android phones) or the App-Store (Apple Phones). You can also access and play the same videos embedded in the online course’s content. These videos are for viewings only and cannot be downloaded.

The ****Pre-recorded Webinar Videos** are recorded from live tutorials and the chapters’ syllabus are synced to these videos. These videos can be viewed from the course but **not downloadable** for off-line viewings.

Recorded Revision Videos will be released after the **Progress Test**. The videos can be viewed from the system but **not downloadable** for off-line viewings.

Mock Exam will be for duration of 3 hours each. The marker’s feedback will be forwarded together with the results after grading (**approximately 1 week after Exam**). Kindly note that the Mock Exam is a **timed test** and only **one attempt** is allowed. Once you have started the test, you are required to complete it within the time limit. Make sure that you have a stable internet connection and a laptop or PC. You cannot do the test on your handphone.
